To the "Old Timers Committee" members:

I am pleased to announce that the "Old Timers Committee", comprised of members of our Board of Directors, has voted to induct Mr. Jim Leverich into our Hall of Fame.

Some time ago, Lisa Pollock brought to John Webb's attention that Mr. Jim Leverich was not a member of the Brittany Field Trial Hall of Fame. Rheta and Bill Cartmell confirmed that Jim was always a hard working, moving force in the world of field trialing and bird dog activities and that he was indeed overlooked in the first series of nominations and elections.

Mr. Leverich has been heartily endorsed by the members of the Board for induction.

We hope each of you can join us next February 6 in Grand Junction for the ceremonies as we honor Lane's End Bowtie Annie, Tom Milam and Jim Leverich

Thank you,

Mary Crawford
Corresponding Secretary
