To All Brittany Championship and Regional Club Secretaries  
Brittany Field Trial Hall of Fame Update

In only a couple of weeks, we will see many of you at the Nationals, hopefully with a qualified dog, or maybe just an interest in seeing old friends. In the last few weeks we have received several Club contributions and some Clubs like the Washington Brittany Club which is scurrying to add to their contributions, so they will be represented by a "Donor Plaque" at the induction ceremonies in February. Many of our Clubs and Championships have already earned Silver (\$1,000.00) Gold (\$2,500.00) and Platinum (\$5,000.00) Plaques and are still continuing to donate on a regular basis. We have attached a current list of all of the Clubs that have earned Plaques. We understand that not all clubs are able to make large donations, but many of the Clubs listed have made a commitment, and have donated one dollar per dog run in trials or \$200.00 / year or whatever they felt they could afford. For many Clubs, not represented on this list, that would be an easy commitment to make. At the present time there are 19 Clubs, not counting the American Brittany Club, which have earned plaques in The Hall. Many of the Clubs, such as the Southern Kansas Brittany Club, with donations totaling \$2,252.00, are close to attaining the next level of recognition. Please understand that we appreciate all donations, even the smallest donations. Send your large donations, or your smaller donations, and we will keep track, and over a period of time, hopefully your Club will be on this list.

This is our special place in the Bird Dog Museum, and we all need to find a way to support it to whatever level we are able. If you have any questions about your current contributions, please contact me.

It is most rewarding to see the number of clubs and individuals who have not only donated, but pledged to keep supporting the Brittany Field Trial Hall of Fame / and Bird Dog Museum, until the job is done. Thank you so much to all of the clubs that have contributed, and to those of you who have not yet contributed or pledged, please consider helping us complete funding for our Brittany Field Trial Hall of Fame.
